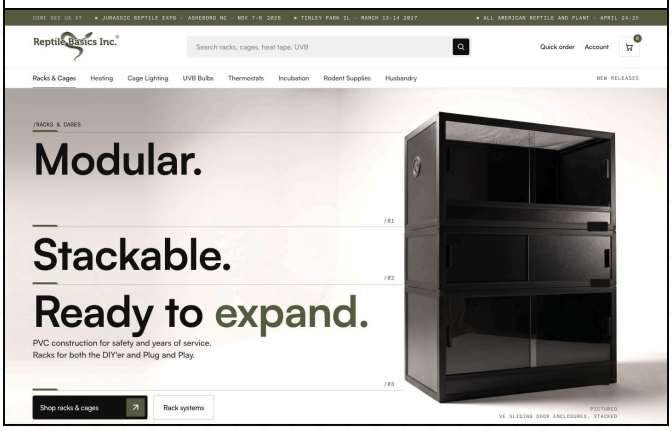
A new website for Reptile Basics.

PREPARED FOR THE REPTILE BASICS TEAM · BY ERIC BERG, CRUSH

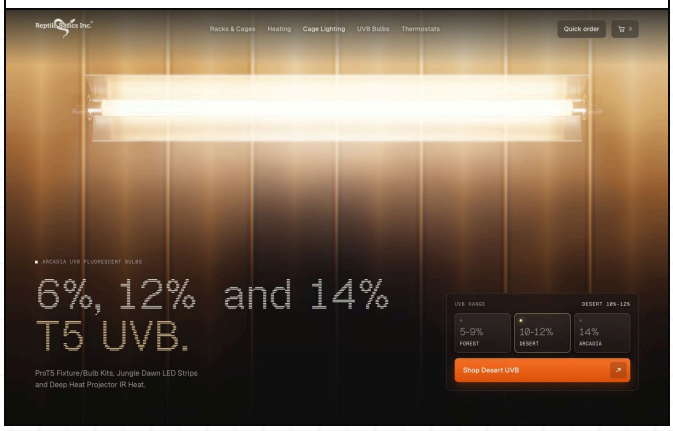
THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

01 MODULAR. STACKABLE.



02 T5 UVB, LIT.



03 GREAT HEAT.

THE LAUNCH

$1,000

for $3,660 of work, one time

LIVE

Within a week

of saying go

YOURS

Yours to keep

site and files on your own hosting

01 WHERE WE STARTED

What we built it around.

01

Racks are modular and stack so you can expand when you need to!

From your racks page. Option 1 rules the screen into shelves off your stacked sliding-door enclosures, with the whole store's departments in the header.

02

6%, 12% and 14% T5 UVB.

Your own slide line. Option 2 lights an Arcadia T5 across the top of the screen; tap Forest, Desert or Arcadia and the light and the shop button change with it.

03

Great heat. Zero rust.

Built from two lines on your aluminum rack page. Option 3 runs a live heat map across graph paper behind a full rack, light and open.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new storefront for Reptile Basics: the homepage, department pages, product pages and cart, built out from the top you've just seen, on your real racks, cages and supplies. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your customer list, so the people who already order from you hear about the new site from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Whoever, our sister company: a voice assistant that answers a store phone line for you, so customers who'd rather call still get an answer, and every call becomes a short written record you can read after.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 26 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your customer list, ready to go out on launch day.	$180

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. It's built lean and tested on a preview before anything goes live. Your checkout and payments stay exactly as they are.

03

Who owns it?

You do. The design and every file sit on your hosting, in your name. Domain and checkout stay with you; nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free, then unlimited changes are $35 a month if you want them, cancel anytime.

05

When do I pay?

Half ($500) when you say go, the rest ($500) when the site is live. You've seen the homepage before paying anything.

06

What if my prices or lineup change?

Then the site changes with it. Products, prices and pages are easy to update from your own store admin, and if your lineup changes before launch, I'll redo the shop pages for it as part of the build.
